PROJECTS

Amazon Clone | <https://github.com/ggandara8/Amazon-Clone> | <https://clone-600d7.web.app/>

- React app with simple authentication deployed with firebase.

Chief System | <https://github.com/rgarza28/Inventory-Manager> | <https://lit-meadow-59526.herokuapp.com/>

- MERN application where small business owners can manage their inventory.
- Responsible for the back-end JWT authentication and mongoose databases.
- MERN stack, Material-UI.

Guess The Quote | <https://github.com/ggandara8/Guess-The-Quote> | <https://morning-reaches-31184.herokuapp.com/>

- This is a quotes guessing game that will randomly give you a quote and you will have to guess by selecting from the options who was the author of the quote.
- Responsible for the development of the front-end and back-end of the application.
- JQuery, Node, Express, Api (public quotes generator) and Bootstrap app with a MySQL database with a Sequelize ORM.

Budget Tracker | <https://github.com/ggandara8/Budget-Tracker> | <https://tranquil-fortress-46901.herokuapp.com/>

- Budget Tracker application that allows for offline access and functionality. The user will be able to add expenses and deposits to their budget with or without a connection. When entering transactions offline, they should populate the total when brought back online.
- Responsible for adding the offline access and functionality.
- Javascript, MongoDB, Webpack, Service Workers, IndexedDB.

The Happy Place | <https://github.com/ggandara8/The-Happy-Place> | <https://ggandara8.github.io/The-Happy-Place/>

- Take users to a happy place to cheer them up during quarantine. After quarantine it can be a good place to go for a pick me up while stuck in the office.
- Responsible for the Api integration of the What day is it column and Meditation tab.
- HTML, JQuery, Zurb Foundation, API's.

EXPERIENCE

Recaro Aircraft Seating, Fort Worth, Tx

Spares Coordinator / Assembler

September 2018 - Present

- Enter and process customer spares PO's in SAP for airlines.
- Manage and track all open orders in SAP until each customer PO is completed and closed.
- Ensure consistent on-time delivery performance of spare parts per customer requirements meeting all RECARO's standard quality requirements. Regular interaction with customers via email and phone.
- Assemble various parts into sub or final assemblies then conduct self-inspections on completed assemblies and meet quality specifications and work specifications operational procedures.
- Support and maintain 5S initiatives.

RLR Sports, Caguas, PR

Promotions/Marketing/Special Events Coordinator

October 2016 - August 2017

- Assist Los Criollos de Caguas professional baseball team in Puerto Rico coordinating and integrating various marketing and communication activities.
- Event coordinator with ProCamps Worldwide for MLB-PA in The Goodwill Tour Youth Clinic in Carolina, P.R and with MLB's Pitch, Hit and Run in Puerto Rico.

ESPN, Bristol, CT

Bilingual Stats and Information Summer Intern

June 2016-August 2016

- Research, write and edit content for Bottom line on four ESPN International and Domestic Spanish-language networks. Worked specially with research on EURO 2016 and the Río Olympics.
- Contributed for @ESPNDatos Twitter account, which has +160,000 followers.
- Participated on "ESPN: The Pitch" Intern Business Idea Competition.
- Provide stats and important information to commentators and analysts for different events in the Río Olympics. Provide content to all ESPN outlets with statistical background and historical context for sports news and events during the Olympics.

More work experience is available upon request.
